Tuesday 23rd June 2020

Dear parent/carers,

Over the last few weeks we have been following Government guidelines and have welcomed back children from certain year groups. One of these has been Year 6. Because of the limit on the number of children allowed in each class, we have had to rota the children to come in every other week.

Having reviewed the number of children returning to school from both Octopus and Stingray classes, we are now able to invite both classes back every week. Stingray are in this week and can continue to come in next week. Octopus can return from Monday 29th. **We will still be closed on Fridays to allow for a deep clean.**

We are limited with the number of children we can have in each room. Children who have already attended Year 6 over the last week or so are able to continue attending as normal. **If your child has not yet attended, you must first contact the office and inform them of your intention to return.** You will be contacted with a date on which your child can come to school depending upon numbers. Unfortunately, we will not be able to allow children into school without advanced notification.

It is lovely to see the children returning to school and we hope that the increased number of available days will help those parents wishing to send their children in.

Kind regards,

Mr M Aggus
