Dear Parents and Carers,

## Bikeability Level 2

In March this year we are pleased to welcome the Cycle Southend team for year 6 bikeability level 2 training. The timetable for the training is set out below and the courses are open to all the children in year 6 who are able to ride a bicycle. Your child will need a road worthy bicycle and a helmet for each day of the course. There are a limited number of bicycles and helmets that the cycle team can provide and should you require one please use the tear off slip below.

The course will begin on Monday when the team make an initial assessment of your child's cycling ability on the playground and then place them in a group. On the subsequent days the team will then take the children out onto the roads to teach them to ride safely. Whilst out cycling with the team they will carry out ongoing assessments and at the end of the course the children will receive a certificate confirming that they have reached the appropriate standard.

Please complete the separate consent form and read the attached information sheets on the ABCD of bicycles and helmet checks.

We do hope that you consent to your child's participation in what is a vital life skill. Should you have any questions please do not hesitate to contact myself or the office.

Yours faithfully

Mr E Kyndt
